

If the Ford government can come to an agreement on having a \$10 a day daycare, will it make you more likely to vote for your

local provincial Progressive Conservative Party candidate in the next provincial election to be held in June 2022?

The Trudeau government has put \$10.2 billion over five years on the table for Ontario to lower childcare costs to \$10 per day. The Ford government says that is not enough.

money and the offer shortchanges Ontario. Which position is closest to your own?
